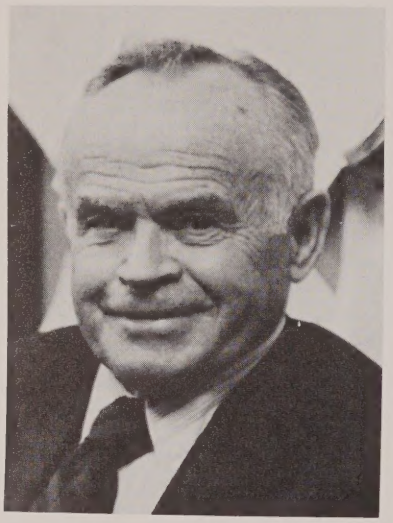
DEDICATION



Mr. Z. Walter Janiak

It is often a cliché to refer to one's association with some institution as "spanning a lifetime." But when one considers a half a century of association, the words ring with startling reality. Such is the case regarding Mr. Z. Walter Janiak, Superintendent-Director, to whom we proudly dedicate the 1978 edition of "The Mariner."

We are the first class to graduate from this 25 million dollar complex known as the Greater New Bedford Regional Vocational Technical High School, a facility finally realized in the greatest part due to the efforts of Mr. Janiak.

He was one of us. The "old school" (and this is Cannon Street, not Hillman) first saw him as an Electrical Department Freshman in the late 1920's. He was the president of the graduating class of 1931. At Vocational, he starred in athletics and was Captain of the track and football teams. Allentown Prep School in Pennsylvania was his next stop via a scholarship award. While there he was listed as an honor student and again captained the track and football teams.

His education was continued at Holy Cross College from which he graduated with a BS in 1936. While an undergraduate, he made outstanding contributions in track and football; and in 1934 he participated in the Polish American Olympics where he established international records in the 100 meter dash.

His direct professional association with the school began in 1936 as an Academic Department Instructor, then Supervisor (1952), and in September of 1958 he attained the position of Director. In addition to teaching and administrative duties, he also coached track, basketball, and football, and was named Athletic Director as well. His activities also included responsibilities as an area Supervisor of Veterans' Training Programs since 1936 and director of all ARA and MDTA projects since 1962. During World War II, he served in the U.S. Navy, Pacific Theatre, as a combat officer and holds the rank of Lt. Commander. He received his Masters' Degree from Bridgewater State College. In addition, he served as President of Mass. Vocational Association.

With the establishment of the Regional District in 1972, Mr. Janiak expended a tremendous amount of time and effort in the organizational aspects of the "new school" as its Superintendent-Director. Since May of 1973, he devoted his time fully toward the goal.

We look forward to your achievements from this day on. We encourage you not only to succeed in your chosen fields, but also to involve yourselves in the social and political activities of your respective communities.

It has been a privilege and a pleasure to have shared your educational experience with you.

I extend my sincere congratulations to you and wish you happy and successful careers.

DIRECTOR

Mr. Joseph Barbero Jr.

The Class of 1978 has the distinction of being the first graduating class of the Greater New Bedford Regional Vocational Technical High School. I am confident that you will carry on in the fine tradition of Vocational School graduates of past years. It has been my pleasure to see you grow towards adulthood during the past four years and to witness your achievements. Keep up the good work and congratulations to another great graduating class.

ASSISTANT DIRECTORS

Miss. Mary Ellen Cronin

Congratulations to the Class of 1978. After four years of hard work you have achieved your diploma. You can be proud of your success. Now it is time to move on to the next goal.

The education that you received here at school should be considered the foundation for continued growth. You have had excellent training in vocational skills and in citizenship. How far you go, what you accomplish, what you contribute to the community in which you live, is up to you.

You will forever carry the distinction of being the **first** class to graduate from the Greater New Bedford Regional Vocational Technical High School. This honor carries with it great responsibility. Your accomplishments will set the standard for the reputation of this school and its graduates. I am confident that the standard you set will be high.

Congratulations and best wishes to the Class of 1978. Your lives have grown and developed because you have focused on goals, dedicated four years to learning, and disciplined yourselves to achieve.

A TEAM is defined as a number of persons associated in work or activity. We are all members of the Greater New Bedford Regional Technical High School TEAM.

As a TEAM we have adopted specific attitudes and values such as ambition, dedication, hard work, self-respect, self-discipline, loyalty, honor, and self-sacrifice.

Remember this poem:

"Follow the gleam — the good of the TEAM
Submerging all thought of self.
There's joy in the quest that involves the rest.
In spurning self-glory and self
The altruist's goal — the good of the whole
Is not a Utopian dream: He lives the best, who loves the most
The welfare of his TEAM."

Mr. Harry Kummer

RETIREMENT

If almost a half a century of association with an institution qualifies a person to say: "I've been here all my life," then Mr. Ed Barrett is certainly qualified to say so.

Mr. Barrett began his association with this school as an Automotive Department student in 1929. Following his graduation in 1933, he worked in the trade until 1941, when he served as an instructor in the Army for four years. In 1944 he returned to his Alma Mater as an instructor for 19 years. Since 1963, he has served as the Department Supervisor.

In addition to teaching and supervising, he was a Junior Class Advisor in 1949, and Senior Class Advisor from 1961-1968.

With many thanks for your dedication to Vocational education, we say a sincere "Best Wishes" upon your retirement.

Mr. Edward Barrett

Mr. William Robinson

Upon his retirement this year, Mr. William Robinson, Supervisor of the Steam Engineering Department since September of 1975 ended nearly 30 years guiding the learning of future firemen and engineers. His first encounter with Vocational High School was as a fireman in November of 1945. He joined the teaching staff in September of 1946. Mr. Robinson also served as an instructor in the Evening Trade Extension program since 1948.

In grateful acknowledgement of his long years of dedicated service, we offer him our best wishes for an enjoyable retirement.

Tomorrow, and tomorrow, and tomorrow,
Creeps in this petty pace from day to

To the last syllable of recorded time
And all our yesterdays have lighted
fools
The way to dusty death. Out, out,
brief candle!
Life's but a walking shadow, a poor
player
That struts and frets his hour upon
the stage,
And then is heard no more. It is a
tale
Told by an idiot, full of sound and
fury,
Signifying nothing.

"Mariner '78"

Having been given the opportunity to produce the "1978 Mariner" may have seemed like a worthwhile experience at first. It proved to us that to be a worthwhile experience it would take quite a bit of work and motivation. The work we had plenty of but at times the motivation was hard to come by. We would like to extend our appreciation to Mr. Gabriel and Mr. Gonsalves who gave us the motivation needed to complete this project. Our actual close to the "Mariner" are the lines you've just read which were written on our last day, June 29, 1978. Enjoy!

LIVINGSTON SATURDAY NIGHT

You got your Tony Lama's on
your jeans pressed tight
You take a few totes
make you feel all right
Rock in' and a roll in' on the
LIVINGSTON SATURDAY NIGHT

You got to pick up wash
and you just got paid
With any luck at all
you might even get laid
'Cause they're pick in
and a kick in' on the
LIVINGSTON SATURDAY NIGHT

So won't you listen to the
sound of the hot country band
Boot heels shuffliu' on
the dance floor Sam
Sing a song, play some pong
Shoot a little pool
Hittin' on the homies right
out of High School
Yeah, fifteen may get you twenty
but that's all right
'Cause they're rock in
and a roll in' on the
LIVINGSTON SATURDAY NIGHT

So won't you listen to the
sound of the hot country band
Boot heels shuffliu' on
the dance floor Sam
Hum a song, play some pong
eat a deviled egg
Temperature is rising better
pop another keg.

CHEESEBURGER IN PARADISE

I tried to amend my carnivorous habits
Lasted nearly seventy days
Losin' weight without speed
eatin' sunflower seeds
Drinkin' lots of carrot juice
and soakin' up rays
But at night I would have these
wonderful dreams
Some kind of sensuous treat
Not zucchini, fettuccini or
Bulgar wheat
But a big warm bun and a
huge chunk of meat

Cheeseburger is paradise
Heaven on earth with an onion slice
Not too particular, not too precise
I'm just a cheeseburger in paradise

Heard about the old time sailor men
Who ate the same thing again and again
Warm beer and bread they claimed
could raise the dead
Reminds me of the menu at
a Holiday Inn
But times have changed for
the sailors these days
When I'm in port I get what I need
Not just Havanas or bananas or daiquiris
But that American creation
on which I feed

Cheeseburger is paradise
Medium rare with mustard be nice
Not too particular, not too precise
I'm just a cheeseburger in paradise

I like mine with lettuce and tomato
Heinz 57 and french fried potatoes
A big kosher pickle and a
cold draught beer
Well good God Almighty
which way do I steer

From a cheeseburger in paradise
Makin' the best of every virtue and vice
Worth every damn bit of sacrifice
To get a cheeseburger in paradise
To be a cheeseburger in paradise
I'm just a cheeseburger in paradise

Young for the one"

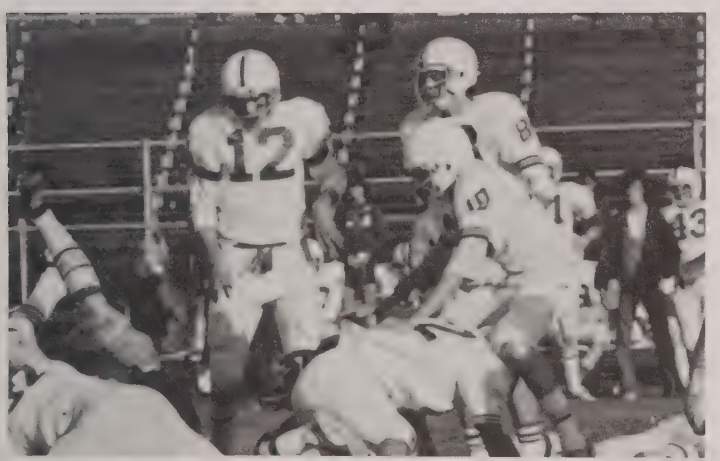
CROSS COUNTRY

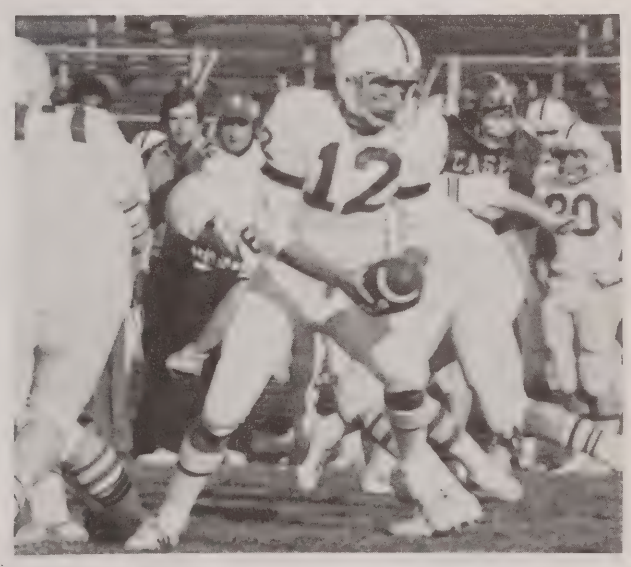
S. Gizzi, D. Longworth, M. Delano, A. Days, W. Hierholcer, D. Cardoza, C. Oullette, P. Maguire, S. Rinehart, K. Smith, J. Costa, P. Reilly, M. Reilly, P. Maguire, G. Costa, P. Strigger, W. Medieros, D. Oliver, F. Paine, K. Richard, Mr. Souza

This year the Voke-Tech Cross Country Team competed in the S.M.C. Division I — East Conference. Led by co-captains Paul Maguire and Willie Hierholcer. The team finished with a 6-1 record, finishing 2nd place. The team won the S.M.C. Division I league meet and successfully competed in seven major invitationals. The freshman team won the Voc-Tech State Championship. John Costa was the leading point scorer. Costa, Maguire, Pat and Mike Reilly were members of the S.M.C. Division I — East All Star Team.

FOOTBALL

1st Row: E. Rouyinal, M. Bilodeau, D. Warrington, P. Larocque, R. Denault, R. Choquette, M. O'Malley, M. DaSilva, J. Gobeil, E. Brito, Head Coach Jeff Riley 2nd Row: Assistant Coach F. Gomes, A. Senna, H. Medeiros, M. Montigny, J. Jeffries, K. Sherman, G. Choquette, P. Mendes, S. Auger, Trainer D. Johnson 3rd Row: R. Prefontaine, F. Jacintho, D. Souza, M. Freitas, M. Nunes, F. Demers, L. Pelaquin, T. Grime, J. Montigny, M. Cardoza, D. Lemieux, J. Carvalho, G. Chandler 4th Row: R. Fortin, J. Britton, G. Silva, J. Walker, L. DePina, T. Bobrowiecki, T. McKenna, S. Butler, M. Moniz, M. Gregroire, T. Melleo, S. Kimbell, M. Pendergast, W. Mulvey, Equip. Mgr. Carrl Seales





The 1977 Varsity football team improved over the season. A victory over arch-rival Old Rochester closed out Voc-Tech's first year in what has to be the finest facility in Southeastern Massachusetts.

SOCCER

1st Row: A. DeDeus, M. Souza, A. Melo, Co-Capt.; S. Conchinha, Capt.; P. Starkie, Co-Capt.; D. Mello, J. Moura 2nd Row: D. Macomber, P. Rapoza, A. Carvalho, K. O'Neil, P. Oliveira, J. Machado, M. Figueirido, D. Branco 3rd Row: Coach W. Siwik, T. Vieira, J. Goncalves, R. Rodrigues, C. Sylvia, A. Hebert, J. Martin, R. Moniz

The first few practice sessions of the 1977 season were worrisome with only three starters and a mere handful of returning lettermen scheduled to start the campaign. However, a virtual flood of new candidates soon pushed the total of team members to fifty. To effectively handle their numbers and to take the first steps in building a soccer program, a junior varsity team was established. This enabled more players to get playing time, providing valuable experience for future seasons. Both teams got off to a slow start but improved as the season wore on. Senior leadership was outstanding and the services of Steve Conchinna, (Captain and League All-Star) Paul Starkie and John Gonsalves will be sorely missed. Dan Branco, Andre Hebert, and Paul Oliveira will also be lost to graduation.

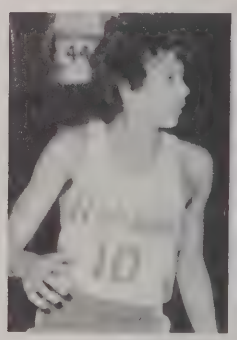
VOLLEYBALL

1st Row, Left to Right: Diana Brissette, Marianne Bengeron, Louise Denault, Terry Charbonneau, Linda Cardoza, Doreen St. Pierre, Carol Stroud 2nd Row, Left to Right: Pauline Galipeau, Michelle Tisdelle, Laura Ribeiro, Muriel Michaud, Cathy Bently, Mary Beth Cordeiro, Lynn Tetraut, Rene Langlois, Anna Farpia, Paula Brightman, Jennifer Peckham, Kathy Medeiros, Coach Ed Barret.

The 1977 Volleyball season, despite the 0-10 record, had many bright spots. The Junior Varsity and Freshmen had records of 5-5, 1-1 respectively. The highlight of the season was the victory of the Freshmen over Old Rochester. Terry Charbonneau and Louise Denault, Co-Captains, were selected for the Division III All-Star team. Carol Stroud, our only senior, will be missed for her quiet, patient efforts.

BASKETBALL

Front Row: Mark Lacombe, Robert Andrade, Dana Warrington, Rene Choquette Back Row: James Almeida, Mark Lamontange, Jeff Olliviere, Michael Cruz, Don Calan, Mr. Lowney



The basketball team was moved up to Division II this year based on excellent past performance. It was a tough year in Division II. The Varsity finished with 2 wins and 18 losses. But the Junior Varsity and Freshman teams had winning seasons and the future looks bright. Departing seniors include James Almeida, Donald Calnan, Rene Choquette, Michael Cruz, Mark LaCombe, Marc Lamortague, and Dana Warrington.

GIRLS BASKETBALL

Front Row: T. Charbonneau, A. Britto, M. Tisdelle, C. Cromwell, S. Rainville, D. Wright Standing: Coach: R. Barrett, M. Polland, L. Denault, S. Vardo, P. Audette, P. Galipeau

Depite a 2-17 record, the hard work began to pay off with improvement in many areas. Farewell and good luck to Carol Stroud, our only dèparting senior.

HOCKEY

Front Row: E. Michaud, G. Lacassw, M. Greene, M. Stevens, E. Anderson, R. Bernado, S. Remero, C. Anderson, S. Rivard Back Row: Asst. Coach M. Frey, P. Lepage, P. Holden, R. Rock, C. Means, M. Ferreira, S. Kenyon, P. Frey, M. Warrington, J. Costa, Manager T. Rainville, Head Coach E. Silva

1977-1978 was a disappointing season for Varsity Hockey. We were competitive in several games but did not manage to win any. Our division record was 0-19 and we were 0-19-1 overall.

The team will only lose three seniors to graduation, so we will have a good nucleus of young experienced players for next year.

WINTER TRACK

First Row: R. Torres, J. Costa, D. Oliver, W. Hierholcer, Co-Capt.: P. Maguire, Co-Capt.: K. Richard, E. Johansen, K. Smith, M. Bilodeau Second Row: J. Peckham, D. St. Pierre, K. Gomes, D. Cardoza, M. Gregoire, P. Simas, L. Bessette, P. Stringer, M. Reilly, J. Benoit, M. Ferreira Third Row: M. B. Cordeiro, K. Medeiros, C. Ashworth, R. Cunha, L. Ribeiro, B. Medeiros, T. McCann, E. Gongola, R. Romanowicz, J. Freitas, R. Benoit, Asst. Coach: G. Sylvia, Head Coach: J. Souza Back Row: E. Britto, R. Medina, J. Walker, J. Montigny, M. Montigny, J. Fryzel, M. Sadeck, A. McDonald, G. Costa, D. Medeiros, B. Marshall

Led by seniors Paul Maguire and Kevin Richard, Voc-Tech won the S.M.C. Division II League Championship with a 7-0 record. The overall record was 8-1-1. One of the high points of the season was tying New Bedford High School 43 to 43 in one of the most exciting meets of the season. Senior Paul Maguire set the field house record for the two mile run with a time of 9:52.4 and Sophomore Mike Reilly set the mile record with a time of 4:33.6. Outstanding Seniors were Kevin Smith, Dan Oliver and Kevin Richard. John Costa and Mike Reilly were elected to the Divisional All Stars Team. Underclassmen to watch next year are Mark and John Montigny, Ed Britto, Dan Cardoza, Mark Gregoire, Paul Simas and Jesse Walker.

BASEBALL

C. Ruell, R. Richard, K. O'Neeil, G. Regis, D. Lamarre, M. Ferreira, S. Paul, Coach D. Johnson, D. Costa, R. Deneault, K. Richard, D. Warrington, F. Teixeira, M. Lamontagne.

GOLF

Back Row: G. Choquette, J. Sylva, R. Choquette, D. Southworth, Coach Mr. Wetzel. Front Row: K. Wilcox, T. Gonsalves, A. Manley.

As the yearbook goes to print, the golf team stands undefeated with eleven straight wins. With five matches remaining in the season, there is a possibility the golf team could have an unblemished record. Captain Rene Choquette and Doug Southworth, the two seniors on the team, also remain undefeated as individuals. Rene Choquette, Joe Sylvia and George Choquette will be competing in the Individual State Qualifying Round on May 20, 1978. It also appears that the team will be eligible to compete in the Team State Qualifying Round on June 15, 1978. Fore!

GIRLS TRACK

Sitting: D. St. Pierre, J. Peckham, C. Stringer, C. Methot, P. Galipeau, K. Gomes, K. Andrews, S. Souza, K. Collard, Y. Lemieux, L. Gonzalez Kneeling: L. Denault, S. Rainville, R. Cunha, D. Brissette, T. Duhamel, K. Medeiros, A. Steiblin, D. Sturtevant, M. Lamarre, M. Tisdelle, C. Roy, M. Collard, L. Spour, T. Charbonneau, S. Gauvin Standing: D. Leuasseur — manager, K. Cromwell, D. Ethier, C. Richards, K. Johnson

The Girls Track in its third competitive season has had a creditable year. The interest and enthusiasm of the girls track program has more than doubled in its short three years of existence. This year's 1978 team consisted of many talented and dedicated athletes. We look forward to our teams continued growth in the future. The top ten point scorers were: L. Denault, T. Charbonneau, M. Tisdelle, K. Johnson, K. Gomes, S. Gauvin, M. Lamarre, K. Andrews, D. St. Pierre and S. Souza.

TENNIS

L to R: K. Caiterall, D. DeCosta, R. Junier, S. Baumgarder, Coach J. Cote, S. Cardoza, P. Grace, D. Longworth, J. Roderiqure.

The '78 Season opened new doors for Voke-Tech's Tennis Program. For the first time in recent history coach Jean Cote's netmen played at a better than .500 percentage and secured a third place finish in their division. This year's team was by far one of the youngest in the area. Led by sophomore Steven Cardoza and junior Paul Grace, the prospects for next year are promising. The 1 senior on the team doubles specialist, David DeCosta has proven to be a guiding force for his younger teammates. With nearly the entire team back for next year the outlook is one of optimism. Perenial powerhouse New Bedford and Connolly should beware.

Come to school at 8 A.M. and plan to stay till five.
Having practice every day for perfection they all strive.
Each is unique with a smile on her face and a sparkle in her eye.
Each may not be perfect but their favorite word is try.
Right through the year their spirit is strong and they are always on the run.
Like children they are out to play, hard work they make it fun.
Every day brings us closer and the whole squad works at this.
And the seniors who are leaving, the rest of us will miss.
Determination describes Lou-Ann Griswold and Tricia Rivard.
Each a senior who for the past two years, has worked very hard.
Right now the poem must end and the story of "78" is told.
Special are the twelve peppy girls that cheer for the green and gold.

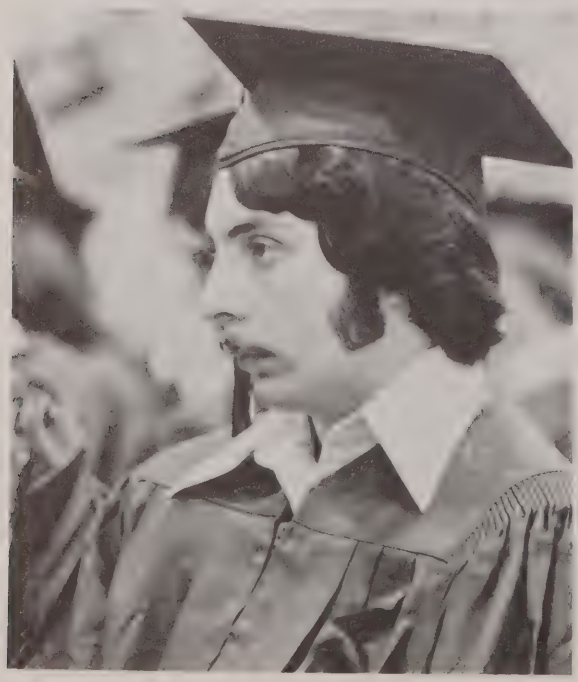
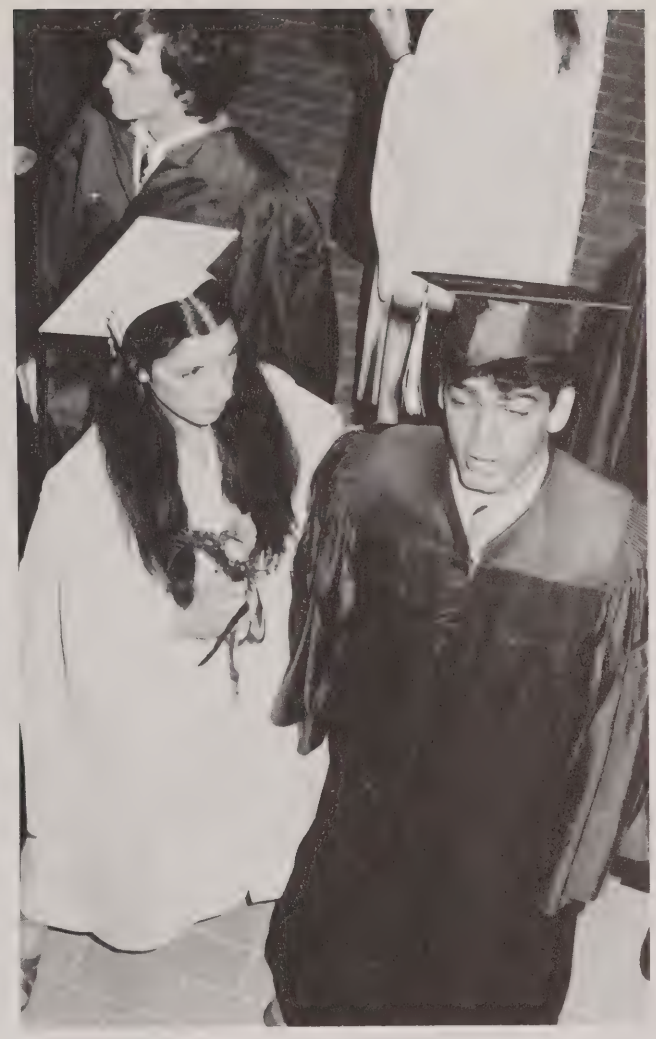
GREATER NEW BEDFORD

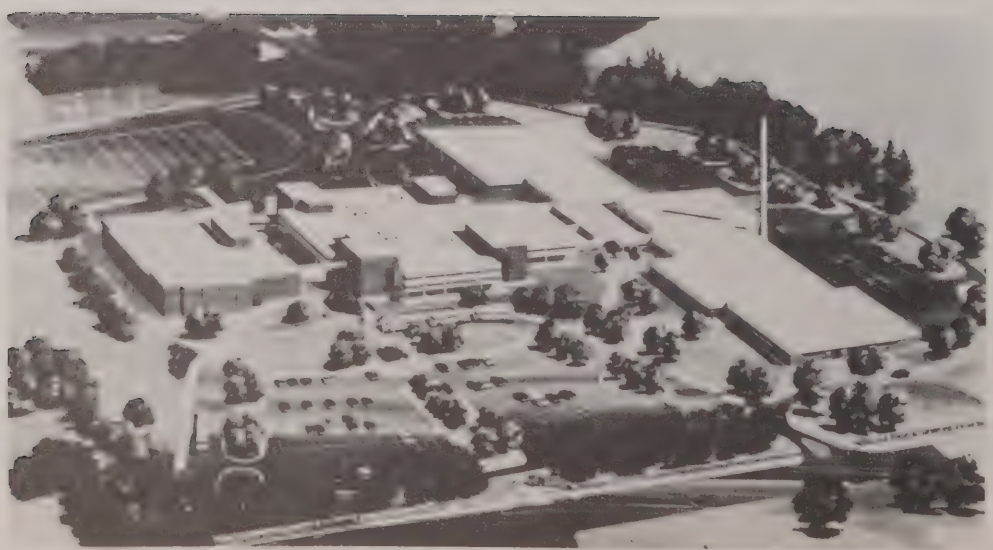




FAREWELL

After four long years it is time to bid a fond farewell to the Greater New Bedford Regional Vocational Technical High School. With three years behind us on 181 Hillman St. and our final year at this new regional complex we breathe a sigh of relief that at last we're on our own. We will be looking into the future with high hopes as we set our goals in life. Soon we will reelize that our education was to the best of our advantage and that the time has now come to move forward into the real world to at last become "real people."

Anonymous 1978



Your friends say they'll keep in touch,
but you know they won't. Your teachers say
come back and see them. And you know you won't.
Maybe someday it won't matter. But right now,
it hurts a little.

"Leave off the agony leave off the style
Unless you've money by you all the while."
